

Ngā Hākari Tapu Liturgies of the Eucharist

The revised Ngā Hākari Tapu, Liturgies of the Eucharist, are now available. These Separates are in both Large (with large print) and Small hardcover books with four Seasonal marker Ribbons, noting that the larger book doubles as an Altar edition. The Māori text is Macronised and the books contain the never before published eight Alternative Great Thanksgivings.

The General Synod Office is now taking orders. The Large book is \$21.00 and the Small is \$12.00, plus P&P. (Free P&P for 10 or more).
